great medicine of the world, for there is no region of the globe into which it has not found its way, and been largely used and highly prized. Moreover, there is no clime to which it has not for dysentery, diarrhosa and bowel complaints generally, it is admirably suited for every race of men on the face of the globe. It is a very significant fact, that notwithstanding the long period of years that the "Pain lost one whit of its popularity, but, on the contrary, the call for it has steadily increased from its first discovery, and at no previous time has the demand for it been so great, or the quantity made been so large, as it is to-day. Another significant fact is, that nowhere has the Pain Killer ever been in higher repute, or been more generally used by families and individuals, than it has been here at home, where it was first discovered and introduced. That the Pain Killer will continue to be, what we have

may be safely prescribed by physicians.

DAVID L. MOTT, M. D.,

Pharmaceutical Chemist, New York. LOUISVILLE, KY., Sept. 1 .- I feel that we have now an article of gin suitable for such cases as that remedy is adapted to. DR. J. W. BRIGHT,

"Schnappe" is a remedy in chronic catarrhal omplaints, etc : I take great pleasure in bearing highly creditable testimony to its efficacy as a remedial agent in the diseases for which you recommend it. Having a natural tendency to the mucons surfaces, with a slight degree of stimulation, I regard it as one of the most important remedies in chronic catarrhal affections, particularly those of the genito-urinary apparatus. With much respect, your obodient servant, CHAS. A. LEAS, M. D., New York.

26 PINE STREET, NEW YORK, Nov. 21, 1867-UDOLPHO WOLFE, Esq., Present: DEAR SIR: 1 have made a chemical examination of a sample of your "Behiedam Schuapps," with the intent of determining if any foreign or injurious substance had been added to the simple distilled

The examination has resulted in the cenclusion that the sample contained no poisonous or harmful admixture. I have been unable to dis cover any trace of the deleterious substances which are sometimes employed in the adulteration of liquors. I would not hesitate to use myself, nor to recommend to others, for medicinal purposes, the "Schiedam Schuapps" as an excellent and unobjectionable variety of gin. Very respectfully yours, CHAS. A. SEELY, Chemist. (Bigned)

CHEMICAL AND TECHNICAL LABORATORY, 18 Ex-CHANGE PLACE, NEW YORK, NOV. 25, 1867—UDOL-PHO WOLFE, Ego .: DEAR STR: The undersigned have carefully and thoroughly analyzed a sample of your "Aromatic Schiedam Schnapps," selected by ourselves, and have found the same free from all organic or inorganic substances, more or less injurious to health. From the result of our examination we consider the article one of superior quality, healthful as a beverage, and effectual in its medicinal qualities.

(Signed) Respectfully yours,
